Hello Sir, I hope you're doing well. I wanted to ask for a small favor. I know a gentleman who is an excellent cook. He is 59 years old, hardworking, physically fit, and fully capable of handling all kinds of work, including heavy lifting. He is also open to working as a helper or caregiver. If you happen to know of anyone looking to hire a cook, helper, or caregiver, or if you have any contacts at a temple or gurdwara where such opportunities might be available, I would be truly grateful if you could let me know or kindly refer him. Thank you very much for your time and support. I really appreciate it.
